	<sup>(2)</sup> 0	[subjected to a serological test for Venezuelan equine encephalomyelitis with the diagnostic method provided for in Part 10(1)(b) of Annex I to Delegated Regulation (EU) 2020/688, carried out, with negative results, on a sample taken not less than 14 days after the date of their entry into quarantine.]]]		
	daily for v for i nega tests	body temperature of the animals referred to in point II.1 has been taken v, either without a rise or the animals have been subjected to a diagnostic test Venezuelan equine encephalomyelitis with the diagnostic method provided in Part 10(1)(a) of Annex I to Delegated Regulation (EU) 2020/688, with tive results, and the animals referred to in point II.1 have been subjected to for Venezuelan equine encephalomyelitis with the diagnostic methods ided for in:		
	_	Part 10(1)(b) of Annex I to Delegated Regulation (EU) 2020/688, without an increase in antibody titre, carried out on paired samples taken on two occasions with an interval of 21 days, the second of which was taken during the 10 day period prior to the date of their departure, and		
	-	Part 10(2) of Annex I to Delegated Regulation (EU) 2020/688, with negative result, carried out on a sample taken within the 48 hour period prior to their departure, and the animals have been protected from attacks by insect vectors after sampling until their departure.]]		
II.2.6.	•	om establishments in which infection with rabies virus in kept terrestrial been reported during the 30 day period prior to their departure.		
II.2.7.		n establishments in which anthrax in ungulates has not been reported during od prior to their departure.		

- II.3. To the best of my knowledge and as declared by the operator, the animals come from establishments where there were no abnormal mortalities with an undetermined cause and they have not been in contact with kept animals of listed species which did not comply with the requirements referred to in points II.2.1. to II.2.6. during the 30 day period prior to their departure, and with the requirement referred to in point II.2.7. during the 15 day period prior to their departure.
- II.4. Arrangements are made to transport the consignment in accordance with Article 4 of Delegated Regulation (EU) 2020/688.
- II.5. This certificate is valid for 10 days from the date of issuing. In the case of transport by waterway/sea of animals, the period of validity of the certificate may be extended by the duration of the journey by waterway/sea.

(2)(4)[II.6. Since leaving their registered establishments of dispatch and before arriving to this establishment approved for assembly operations, none of the animals of the consignment has undergone more than two assembly operations, and

(2) either [they come from registered establishments of dispatch.]]

(2) or [at least one of the animals of the consignment has undergone one assembly operation on an approved establishment.]]

(2) or [at least one of the animals of the consignment has undergone two assembly operations on approved establishments.]]

# Animal welfare attestation

At the time of inspection, the animals covered by this health certificate were fit to be transported in accordance with the provisions of Council Regulation (EC) No 1/2005 on the intended journey due to start on.......(insert date).

#### Notes:

In accordance with the Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community, and in particular Article 5(4) of the Protocol on Ireland / Northern Ireland in conjunction with Annex 2 to that Protocol, references to European Union in this certificate include the United Kingdom in respect of Northern Ireland.

This animal health certificate shall be completed according to the notes for the completion of certificates provided for in Chapter 2 of Annex I to Commission Implementing Regulation (EU) 2020/2235.

# Part I:

Box reference I.11: "Place of dispatch": Indicate a registered establishment of dispatch of the equine animals or an establishment approved for assembly operations in accordance with

Articles 97 and 99 of Regulation (EU) 2016/429.

Box reference I.12: "Place of destination": Indicate a registered establishment of destination or an establishment approved for assembly operations in accordance with Articles 97 and 99

of Regulation (EU) 2016/429.

# Certificate model EQUI-INTRA-CON

# EUROPEAN UNION

Box reference I.17:

"Accompanying documents": In case the animals are dispatched from an establishment approved for assembly operations in the Member State of origin, the reference number(s) of the official document(s), based on which the animal health certificate for this consignment is issued in this establishment approved for assembly operations, may be indicated.

In case the animals are dispatched from an establishment approved for assembly operations in the Member State of passage, the reference number(s) of the certificate(s), based on which the animal health certificate for this consignment is issued in this establishment approved for assembly operations, must be indicated.

Box reference I.30:

"Identification number": Indicate for each animal of the consignment the unique code referred to in Article 65(1)(b) of Delegated Regulation (EU) 2019/2035, or the code displayed by the means of identification defined in point (a), (c) or (e) of Annex III to Delegated Regulation (EU) 2019/2035, if the animal is unweaned and accompanies its dam or foster mare.

# Part II:

- There can be one or more animals in the consignment.
- (2) Delete if not applicable.
- $\blacktriangleright^{\omega(3)}$  Option only available in the case of either:
  - (a) equine animals which are each accompanied by their single lifetime identification document as provided for in Article 114(1), point (c), of Regulation (EU) 2016/429 which includes a valid validation mark referred to in Article 92(2), point (a), of Delegated Regulation (EU) 2020/688; or
  - (b) registered equine animals which are each accompanied by their single lifetime identification document as provided for in Article 114(1), point (c), of Regulation (EU) 2016/429 which includes a valid license referred to in Article 92(2), point (b), of Delegated Regulation (EU) 2020/688, or by its single lifetime identification document accompanied by the FEI Recognition Card together with the validation sticker. ◀
- (4) Applicable in case the consignment is dispatched from the establishment approved for assembly operations.
