(по списку)**

Министерство сельского хозяйства Республики Казахстан (далее – Министерство) свидетельствует свое уважение Генеральному директорату здравоохранения и безопасности пищевой продукции Европейского союза (DG SANTE) и сообщает следующее.

В связи с утверждением требований к товарам, подконтрольных ветеринарному контролю (надзору), а также по неоднократным претензиям со стороны государств-членов Евразийского экономического союза по ввозу на территорию Евразийского экономического союза санкционных товаров, Министерство уведомляет Вас об изменениях к воозу на территорию Республики Казахстан живых животных, сырья и продукции животного происхождения.

Ввоз товаров подконтрольных ветеринарному контролю (надзору) на территорию Республики Казахстан осуществляется в соответствии с Едиными ветеринарными (ветеринарно-санитарными) требованиями, предъявляемые к товарам, подкнтрольные ветеринарному контролю (надзору), утвержденные Решением Комиссии Таможенного союза от 18 июня 2010 года № 317 и в сопровождении следующих ветеринарных сертификатов:

– по единым формам ветеринарных сертификатов, утвержденных Решением Комиссии Таможенного союза от 7 апреля 2011 года № 607;

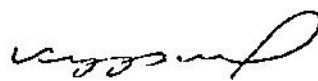

– по согласованным формам ветеринарных сертификатов в формате Европейский союз - Таможенный союз;

– по согласованным ветеринарным сертификатам в формате Европейский союз – Республика Казахстан.

Формы всех ветеринарных сертификатов размещены на официальном сайте Министерства (www.moa.gov.kz) и доступны для скачивания. Также формы единых ветеринарных сертификатов, утвержденных Решением Комиссии Таможенного союза от 7 апреля 2011 года № 607 размещены на официальном сайте Евразийской экономической комиссии.

Приложение: список наименований ветеринарных сертификатов, по которым возможен ввоз товаров, подконтрольных ветеринарному контролю (надзору)

**Authorized body in the field of veterinary
of the member states of the European Union
(according to the list)**

The Ministry of Agriculture of the Republic of Kazakhstan (hereinafter – the Ministry) presents its compliments to the Directorate General of health and food safety of the European Union (DG SANTE) and reports the following. In connection with the approval of requirements for goods controlled by veterinary control (supervision), as well as on repeated claims by the member States of the Eurasian Economic Union on import into the territory of the Eurasian economic Union sanctioned goods, the Ministry notifies you of changes to the import of live animals on the territory of the Republic of Kazakhstan, raw materials and products of animal origin.

The import of goods controlled by veterinary control (supervision) on the territory of the Republic of Kazakhstan is carried out in accordance with the Unified veterinary (veterinary and sanitary) requirements for goods subject to veterinary control (supervision), approved By the decision of the Commission of the Customs Union of June 18, 2010 No. 317 and accompanied by the following veterinary certificates:

- according to the uniform forms of veterinary certificates approved by the Decision of the Commission of the Customs Union of April 7, 2011 No. 607;
- according to the agreed forms of veterinary certificates in the format European Union-Customs Union;
- according to the agreed veterinary certificates in the format of the European Union – the Republic of Kazakhstan.

Forms of all veterinary certificates are available on the official website of the Ministry (www.moa.gov.kz) and available for download. Also, the forms of unified veterinary certificates approved by the decision of the Customs Union Commission No. 607 of April 7, 2011 are posted on the official website of the Eurasian Economic Commission.

Attachment: list of names of the veterinary certificates which may be used for the import of goods controlled by veterinary control (supervision)

Vice-Minister

R. Kurmanov
